The Clerk does not anticipate any significant variations to expenditure for the remainder of the financial year. There is an invoice anticipated to be approximately £500 due from Ray Nixon Brown Solicitors for the tenancy agreement to Bryant's Lane which did not proceed but this is covered within the current budget. Bryants Lane expenditure is greater than budgeted for as discussed at the Sports and Recreation committee meeting. The bank balance on the spreadsheet agreed with the statements and this was checked by Cllr Ellis.
- 5 Budget planning. 2016/17 The budget which was considered by line item. Key points are as follows:
It was agreed to budget for provision of disabled access to Bryant's Lane; there is sufficient in the reserves for election costs (£2,000) so this was omitted; the provision for a newsletter was omitted, this can be reviewed next year; the grounds maintenance remains at the same cost as last year but the Committee are aware that this will increase next year at contact renewal.
