There is no further progression with traffic calming through Village and Thrift Road, mainly due to lack of money at CBC. Although Central Government allocated additional funds to Highways, CBC redirected these funds for other uses, resulting in no increase to the Highways budget.
The Ranch, Miletree Road has a current planning application to formalise some of the pitches that were not properly established.

MV continues to express concerns about the appointment system at the Tidy Tip, questioning its cost-effectiveness. The system is scheduled for a review in 6 months.

The planning application for development of Leighton Buzzard Garden Centre has gone to appeal. CBC will not defend their decision to refuse the application.

Cllr. Reading asked MV to forward email regarding possible options regarding traffic calming as apparently discussed in meetings with CBC or alternatively to give Kyle Stewart (CBC) authority to forward list to PC.
