**09.24.3 PUBLIC FORUM –** members of the public have a cumulative 15 minutes to address the Parish Council. No resolutions other than those on the agenda can be resolved from items raised in the public forum.  
*One member of the public present. MOP 1 asked about the Millenium Gardens and if a new hedge is to be planted to replace the box hedging taken away.*  
*DF explained that the Contractors (Reynolds Landscaping) came across the existing fence once box hedging removed. The rotten posts will be replaced so the fence is secure. In the Autumn, new Hawthorn and Blackthorn hedging will be planted. The large tree will also have its lower branches removed allowing more light into the garden, allowing more plants to thrive and grow. The front hedge will also be reduced to allow for a healthier looking hedge in future years, also allowing more light into the garden.*

**09.24.4 PARISH COUNCIL REPORTS:**

- a) CBC Councillor Mark Versallion (MV) report:  
*MV attended in person.*  
*He has been in touch with new MOP Alex Mayer.*  
*He feels traffic calming in the Village seems to be getting further away due to financial 'mess' at CBC. He suggests the PC hold tight until atleast April / May 2025 when the CBC new financial year will start.*  
*DF talked about the data that has been created from the SID's and that this info has been sent to CBC. CBC responded, very late on Monday. They cannot rely on this data for several reasons but will, in the future, carry out their own official surveys via cable. Clerk to write to CBC asking for communication about position and timings of cable as in the past this has been recording data during such times as roadworks or detours, thus providing incorrect readings. MV asked for a copy of the letter from CBC, Clerk forwarded email.*  
*DF stated that should CBC continue to dismiss traffic calming then a consultation with the Village would take place to discuss the best use of held money.*

- b) Clerks report: *Emailed to all PC members prior to meeting.*

This is due to be passed to Traffic Regulation Orders Officer who will prepare a plan for consultation towards the end of the year. Regarding the provision for disabled parking spaces, CBC prefer applications to come direct from named residents. Clerk has emailed results of survey to Jennifer.*
- d) CBC consultation period on local plan: *Public consultation finishes on the 23<sup>rd</sup> September. Clerk has put information on website, PC & Village Facebook page, 4 x bus shelters & 2 x notice boards. Paper copies of survey can be distributed by Clerk or picked up from The Dukes.*
